## The British Columbia Regiment

### Irish Pipes and Drums

The Irish Fusiliers were formed in 1911 in East Vancouver and served until being placed on the supplementary role of battle in 1964.

In June 2002, the Irish Fusiliers of Canada and the British Columbia Regiment were formally merged to preserve the Battle Honours and name of the Irish Fusiliers. With the merger, the BCR Irish Pipes and Drums have become a visible symbol of the Irish heritage of these two outstanding regiments.

## Tiddley Cove Morris Dancers

Morris dance is a form of English folk dance usually accompanied by music. It is based on rhythmic stepping and the execution of choreographed figures by a group of dancers, usually wearing bell pads on their shins.

Implements such as sticks, swords and handkerchiefs may also be wielded by the dancers. This style of dancing originated in the cotton mill towns and pit villages of the North West of England, where clogs were the usual type of working footwear and where the Morris tradition was performed by men.

## BRITISH ONE LINERS

I'm in a great mood tonight because the other day I entered a competition and I won a years supply of Marmite ... one jar.

The toilets at a local police station have been stolen.

Police say they have nothing to go on.
