20th April 2020

Dear Fellow RSSG Members

'BBC Big Night .. Thursday 23rd April 2020'

Having been in contact with my fellow RSSG Charitable Trust Trustees, the majority decision is to support the above event. Therefore I am requesting that should your branch also wish to support the event, maybe you could inform us of the amount and we, the RSSG Charitable Trust, would add £250 to your amount, this is apart from the donation of £6000 from the Trust. The more we donate, the larger our Society will be to the forefront of people's minds.

I suggest the branch's donation be directed to the RSSG Charitable Trust Treasurer. The Trust would add £250 to the amount donated by the branch and make one sizeable donation to the BBC BIG NIGHT, above the £6000 donated by the trust, on behalf of the Royal Society of St. George.

Trust CAF Bank – Account No. 00008044 – Sort Code 40-52-40 – Ref: Branch Name

As we are all aware, **23rd APRIL is OUR DAY**, so what more of an appropriate time to make The Royal Society of St George known to all people of the United Kingdom – not just the few in England.

Please respond, as soon as possible to me so that we can make certain of an appropriate sum being donated.

In these most uncertain and devastating times, KEEP SAFE.

Kind Regards

Bob Smith
