

ALMOST 100!

The Waterloo Branch of the Royal Society of St George continues to go from strength to strength. We are pleased to welcome Hugh Montgomery as our latest recruit, swelling our ranks and bringing us even closer to our 100th branch member and even more work for Linda, our wonderful "volunteer" membership secretary.

MURDER!

AT THE MUSIC HALL

On the 24th October twenty brave members battled though atrocious weather conditions to witness a murder most horrible which took place at the Brick Lane Music Hall. The afternoon entertainment of murder, mystery, music, dancing and comedy was accompanied by sandwiches and cakes and proved a most enjoyable experience for everyone who attended. This great event was organised by Lesley Oakley our Vice Chairman and Events Secretary who was presented with flowers in appreciation of her great efforts in organising this fantastic event.

We've put together a full and varied programme for next year and I encourage you to make suggestions for inclusion in this programme. I thank the Committee for their hard work and assistance and thank you all for your continued support. I send to you all my very best wishes for a happy Christmas and a healthy and happy New Year.

On Remembrance Sunday twenty two members gathered in the Guards' Chapel in Birdcage Walk for a very moving Service followed by lunch at Westminster Abbey.

29th November – National Liberal Club – Another sell-out where 13 lucky people had an excellent three course meal in this magnificent building, preceded by a half hour concert by the Lewisham Concert Brass Band. After the meal we were entertained by over 30 talented musicians playing Gershwin's Porgy and Bess followed by a spell-binding performance of Rhapsody in Blue, with a remarkable young lady, Katie Wong, playing the solo piano parts. Our thanks go to David, our former Treasurer, for once again arranging a memorable visit. David has kindly offered to arrange limited numbers to be invited to future functions there.

Waterloo meets its Waterloo...

Unfortunately, due to lack of support, the proposed visit to the battlefields of Waterloo and Ypres has been cancelled.
