

The Royal Society of St. George

Established in 1894 | Incorporated by Royal Charter | Patron: Her Majesty The Queen

The Royal Society of St. George is partnering with Harney & Sons Tea Company to produce, market, and sell the Imperial Windsor Blend Tea, in support of the Royal Society's educational programmes for young people.

The Royal Society of St George (RSSG), a charitable organisation, was founded in England in 1894 with the goal of fostering English values and the English way of life. From its inception, it has enjoyed the support of prominent public figures in England and throughout the British Empire. Its first Royal Patron was Queen Victoria; since then the society has enjoyed the patronage of every reigning monarch, including the current British monarch, Queen Elizabeth II. The Society's Charitable Trust actively provides financial support to help young people fulfill their scholastic and career potential.

Harney & Sons is a celebrated gourmet tea company located in Millerton, New York. Founded in 1983 by John Harney, it has grown from a hands-on cottage industry into one of the leading gourmet tea companies in the USA. It is still a hands-on family business now headed by John's sons, Mike and Paul Harney.

Harney & Sons has produced The Imperial Windsor Blend exclusively for The RSSG. The Imperial Windsor Blend is a medium bodied tea with briskness and a wonderful aroma, containing black teas with rose petals.

The partnership will produce, market, and sell the Imperial Windsor Blend tea globally, with particular emphasis on promoting the tea to its direct, branch, and affiliate members throughout the world. In return for the exclusive right to market and sell this RSSG-supporting blend, RSSG will receive a quarterly royalty of 10% of gross sales, allowing The RSSG to build its support programmes and assist more young people, needed now more than ever.
